Since 2014 we have been supplying a collection of quality brassware at an affordable price to our customers.

We specialise in supplying a range of bathroom and kitchen taps that are inline with the current home trends.

With over 150 stockists throughout the UK and constantly growing, we are proud to offer a wide range of products local to you.

A GUIDE TO OUR PRODUCT FEATURES

All of our products come with a 5 year manufacturer warranty.

Our products are made from high quality brass and stainless steel materials.

Products with this icon is made to be wall mounted.

Products with this icon is made to be deck mounted.

Theses icons illustrate the types of levers and knobs available in our tap range.

We offer a range of colours and finishing to match your kitchen and bathroom theme design.

Leak proof ceramic disc cartridges are installed in all our mixer taps.

Products with this icon comes with an on-off switch.

Products showing this icon has an in-built thermostatic switch valve.

All our shower rails can be height adjusted to fit your needs.

Basin taps with this icon comes with a free slotted basin waste.

These icons show the type of fittings used to install the product.

We offer a range of slotted and unslotted basin wastes to suit your need.

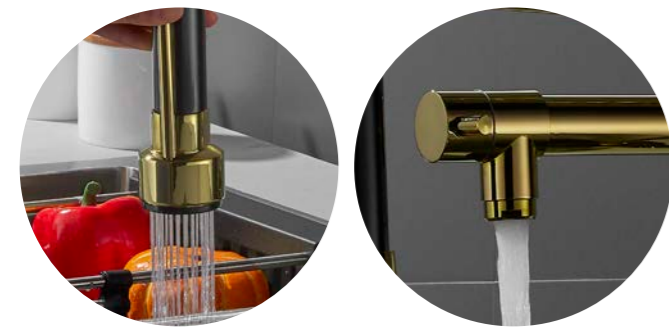

This icon shows that the basin waste comes with a tube extension.
