A GUIDE TO OUR PRODUCT FEATURES

All of our products come with a 5 year manufacturer warranty. *

Our products are made from high quality brass and stainless steel materials.

Products with these icons illustrate the minimum water pressure is required.

Products with these icons indicate how the taps are mounted.

These icons illustrate the types of levers and knobs available in our tap range.

We offer a range of colours and finishings to match your kitchen and bathroom theme design.

Leak proof ceramic disc cartridges are installed in all our mixer taps.

Products with this icon come with an on-off switch.

Products showing this icon have an in-built thermostatic switch valve.

All our shower rails can be height adjusted to fit your needs.

Taps with these icons come with the accessories shown.

These icons show the type of fittings used to install the product.

We offer a range of slotted and unslotted basin wastes to suit your needs.

This icon shows that the basin waste comes with a tube extension.

* Please visit xcelhome.com for T&Cs.

BATHROOM RANGE

Explore our everyday Bathroom Range, featuring an array of basin taps, bath shower mixers, and bath fillers available both as individual pieces and coordinated sets. Delve into our selection of thermostatic bars and showers, designed to offer precise temperature control and exceptional reliability. Each product combines modern design with precise manufacturing to deliver comfort and style to your bathroom.
